Expertise

Glenn is a business valuation specialist, and forensic accounting specialist accredited by Chartered Accountants Australia and New Zealand with over 35 years' experience in professional practice and with ASX listed entities & commercial enterprises.

As a valuation and forensic accounting specialist, Glenn has completed Expert Reports related to accounting, valuation, economic loss, fraud, criminal and other financial matters for the Supreme Court of Queensland, District Court of Queensland, Family Court of Australia, Federal Circuit Court and QCAT.

Glenn works primarily with accountants, business owners, legal counsel, secured financiers and in private engagements. Glenn has earned a reputation for listening, understanding, efficiently identifying and assessing key issues and, as a result, developing and implementing appropriately planned responses. He has experience in compiling complex Expert Reports; advising on governance and management practices; and conducting business valuations, forensic investigations, contract management and fraud and economic loss assessments.

Additionally, Glenn has extensive experience in the implementation of successful turnaround strategies in business and in commercial & residential real estate environments. In commercial environments, Glenn has held diverse roles including Chief Operating Officer, General Manager, Company Secretary and Group Financial Controller of ASX Listed companies. Glenn has managed his own trade supply and property refurbishment enterprise and has substantial experience with construction, property development and management, mining services, and in the tourism & hospitality, media and horticulture industries.
